

# Call For Charities

Have your say in RightCare<sup>+</sup>index

## **PRESS RELEASE 27/03/09**

### RightCareIndex Care for Cornwall 2009/10 - Call for Charities

Every year the RightCareIndex features news and information from Voluntary and Charitable organisations for FREE. The RightCareIndex is a complete directory of care used by authorities, public and private care providers, clients and patients from all sectors of adult health and social care.

We are now positively seeking new Charities and or Voluntary Organisations to feature in our new Cornwall publication due for release in Autumn 09.

If your organisation has a story to tell, a need to raise funds, or are simply looking to tell the Cornish community about your cause, then please contact us immediately.

This is a great opportunity to raise awareness of your campaign at absolutely no cost. The previous edition RightCareIndex Cornwall 08/09, available direct from us, or through Cornwall Council Dept for Adult Social Care, featured many organisations (*CPIC pg 6; Carrick Lifeline pg 15; Age Concern, Care Aware, Opaal pg 16-17; Cornwall Works Learning Disability pg 28; Stonham Tu pg 33; Mental health pg 35; Ellies Haven pg 37; Motability pg 42; Disability Cornwall pg 50; Age Concern help the Aged pg 53; Cinnamon Trust 54*) and again we aim to help raise the profile of those doing great things in our care community. So please call us to feature your story in RightCareIndex 2009/10. You can also view our current editions online as interactive ebooks or in PDF format at [www.rightcareindex.com/ebooks](http://www.rightcareindex.com/ebooks)
